Knobbe Martens

INTELLECTUAL PROPERTY LAW

A distinguishing characteristic of our firm is the vast majority of lawyers who hold technical degrees. Many have previously worked as engineers, software developers, physicians or scientists within their respective fields.

Clients tell us this scientific and technological expertise saves time and money — time and money they don't have to spend bringing lawyers up to speed on their products and industries. With seven offices and over 275 lawyers and scientists, Knobbe Martens represents clients in all areas of intellectual property law and litigation.
